

MEETING MINUTES / SYNOPSIS

MONO COUNTY GIS MEETING

February 5, 2001

This was an initial meeting with Scott Burns, Planning Director. Items discussed are outlined below.

1. Completion of MEA in digital format

2. Look at getting other people / departments involved

a. Assessor / Appraiser

- Conditioned areas for taxation
- When buildings are finalized
- % of parcel developed
 - % of parcel with improvement
- Building permits issued on parcel - triggering reappraisal

b. Public Works

- Solid waste information / landfills
- Monitoring wells
- Pavement management

c. Town of Mammoth Lakes

- Assessments within the Town
- What data do they have?
- Are they using GIS

d. Water District

- What are they doing (GIS?)
- What data do they have?
 - GPS Sewers and Watermains
