

## May 24th Agenda

Friday, May 19, 2006

1:29 PM

Please find enclosed an agenda for the June Lake Coalition meeting for May 24th from 9am-12 at the June Lake Community Center. I look forward to seeing you all again.

For those of you interested in homework you could review the Master Environmental Assessment Document and highlight and passages that represent opportunities and challenges to the issues we defined at our last meeting.

- Infrastructure,
- Economic vitality
- Natural and scenic resources
- Community housing
