8. **Future Special Projects Discussion & Updates:**

a. **211 Directory Line:** The 211 Call Center in Ventura County charges $8,000 for 1,000 incoming calls per year. Molly met with Mono County CAO and the Directors of Public Health and Social Services to discuss the potential of a county 211 Directory line. Due to the high cost of the 211 Directory Line, the recommendation was for Mono County to collaborate with Inyo and Alpine Counties. So far, Molly has received $1,000 pledges from First 5, Alpine County, Wild Iris and IMACA. First 5, Inyo County will discuss the 211 Directory Line at their January meeting. Molly may request letters of support from the CAPC. If the 211 Directory Line is able to receive enough support and funding, there will need to be an accurate list of Mono County resources and services. The Strengthening Families team is working to update a 2007 Mono County Resource Guide.

b. **Leaders for Change - Protective Factors Parenting Program:** Didi and Molly were concerned that the financial and parent recruitment requirements were not realistic for our small county, so decided against applying for the grant.
