## COMMUNITY SERVICE SITE INFORMATION SHEET

Please note that these agencies are under no obligation to assist you. If a particular agency does not have work for you, simply contact a different agency. This is only an informational list to give you an idea of what type of agencies you may volunteer for. Community service hours completed with any of the listed agencies on the following page are acceptable. If you are not doing your hours in Mono or Inyo Counties, this list should give you a good idea of where you may volunteer. Similar agencies in other counties are also acceptable.

You are responsible for contacting an agency and making arrangements to perform community service hours. You may work for more than one agency if you feel you need to. Before working for an agency that is not on this list, please contact the Probation Department to get pre-approval.

Once you have made arrangements to volunteer somewhere, show up on time, and do a good job! If our department receives a complaint against you, you might not get credit for the work you have done!

Again, before working for an agency that is not on this list, please contact the Probation Department to get prior approval. If you have any questions or need any assistance, you may contact this department at (760) 932-5570.
