Gerry LeFrancois

### Excused:

Mark Langner  
Mike Curti

### Community Members:

Tim Fesko  
Jeff Ulrich  
Doug Power  
Numerous River Lane Residents

## Public Comment:

Numerous residents from the North River Lane area in Walker attended the meeting to voice their concerns over rumors that the county was building parks and trails that might negatively impact the local residents.

Gerry Le Francois, the Mono County Planner responsible for collecting input on planning issues in the Antelope Valley, explained the planning process and how citizen input is the first step towards any plans or changes.

CJ made prepared comments voicing the Numerous River Lane Residents' concerns about the potential for park and trail development along North River Ln.

**Approve Minutes for April 2 Meeting:** Not on agenda, moved to August meeting
