RE: Letter to MCMWTC of Community Liaison

Dear Colonel Doan:

We, the members of the Antelope Valley Regional Planning Advisory Committee, would like to extend our appreciation to the leadership of the MCMWTC for their efforts to support community involvement. We learned at our last meeting that we will no longer have a community liaison attending our meetings. The MCMWTC is an important presence situated in the northern region of Mono County and we value the Marine Core's involvement in our local communities. Many of our community members are senior citizens (and veterans) who have limited literacy with computers and the internet and thus will not use a website to keep abreast of the happenings at the Marine Core base. We are asking you to reconsider your decision to discontinue the community liaison's attendance at our monthly meetings.

Thank you in advance for considering our petition.

Our sincerest thanks,

Don Morris
