Animal Control DEPARTMENT 100-27-205

DEPARTMENTAL (or Division) OVERVIEW

Animal Control is a Public Health and Safety agency. Protecting the public and their animals and to enforce State and Local animal regulations

PROGRAMS AND SERVICES

Some of our functions and programs are our state mandated programs, such as rabies control, a sheltering system to keep and find homes for adoptable strays and owner turn ins, rabies vaccination clinic and animal bite investigation with possible quarantining of animals. We are also responsible for picking up strays and owned dogs running loose. As well as enforcing county ordinances such as leash law and licensing requirements. We also trap feral cats and remove them from people's property. We also assist Eastern Sierra Wildlife in the shuttling of wounded wildlife. If we have an officer heading south we transport the wounded animal or bird to our south shelter and then they arrange a volunteer to pick up and drive the rest of the way to the facility.

We assist other departments. We provide community service and dispatch an officer to the scene of an arrest or death to take custody of the animals.
