<p>shared that the program has begun to utilize a new data reporting system and that they are working on adjusting format. Myriah also shared the new email address with the County from the old MHN email to align with Health Net Behavioral Health, all emails will automatically be rerouted to new email inbox. Myriah encouraged Mono County BH that if there is a screening tools to warm transfer so that they can get the member connected to service faster than they would with solely being sent via email/fax as one of the issues is that they are unable to link with the member to begin getting those services started.
