B. Fish and Game Fine Fund Expenditure

Departments: Economic Development

On Wednesday, October 7, 2015, the Mono County Fisheries Commission approved a \$2,000.00 expenditure from the Fish and Game Fine Fund to help support the Bridgeport Fish Enhancement Foundation (BFEF) Cage Culture Program. If approved, this money will be used to reimburse BFEF for fish, fish food and a fish rearing cage that has been placed in the marina at Lower Twin Lakes in Bridgeport. Over the year, the cage has been periodically filled with stocked fish from Desert Springs Trout Farm. The fish were then fed daily until they were big enough to be released into open waters. The Cage Culture Program will ensure a better price per pound, allowing more fish to be purchased and planted into Lower Twin Lakes every year. The program will also allow small groups of fish to be released into open waters periodically, rather than 400 pounds all at once from a truck load at Desert Springs Trout Farm. This program has been successful at other locations in the Eastern Sierra including this past year at Lower Twin Lakes.

In the future, BFEF would like to expand the program to other bodies of water throughout the Eastern Sierra.

Recommended Action: The Board consider and approve the recommendation by the Mono County Fisheries Commission to allocate \$2,000.00 from the Fish and Game Fine Fund to support the Bridgeport Fish Enhancement Foundation (BFEF) Cage Culture Program.

Fiscal Impact: Mono County receives roughly \$7,500.00 on an annual basis from the Department of Fish and Wildlife. Currently \$12,700.00 is available in the budget for this expenditure. If approved the \$2,000.00 expenditure would bring the available balance in this account to \$10,700.00.

AGENDA DESCRIPTION:

(A brief general description of what the Board will hear, discuss, consider, or act upon)

On Wednesday, October 7, 2015, the Mono County Fisheries Commission approved a \$2,000.00 expenditure from the Fish and Game Fine Fund to help support the Bridgeport Fish Enhancement Foundation (BFEF) Cage Culture Program. If approved, this money will be used to reimburse BFEF for fish, fish food and a fish rearing cage that has been placed in the marina at Lower Twin Lakes in Bridgeport. Over the year, the cage has been periodically filled with stocked fish from Desert Springs Trout Farm. The fish were then fed daily until they were big enough to be released into open waters. The Cage Culture Program will ensure a better price per pound, allowing more fish to be purchased and planted into Lower Twin Lakes every year. The program will also allow small groups of fish to be released into open waters periodically, rather than 400 pounds all at once from a truck load at Desert Springs Trout Farm. This program has been successful at other locations in the Eastern Sierra including this past year at Lower Twin Lakes. In the future, BFEF would like to expand the program to other bodies of water throughout the Eastern Sierra.

RECOMMENDED ACTION:

The Board consider and approve the recommendation by the Mono County Fisheries Commission to allocate \$2,000.00 from the Fish and Game Fine Fund to support the Bridgeport Fish Enhancement Foundation (BFEF) Cage Culture Program.

FISCAL IMPACT:

Mono County receives roughly \$7,500.00 on an annual basis from the Department of Fish and Wildlife. Currently \$12,700.00 is available in the budget for this expenditure. If approved the \$2,000.00 expenditure would bring the available balance in this account to \$10,700.00.

Re: Thank you

Dear Members of the Board of Supervisors:

Thank you for the assistance Mono County provided to me and my family. By waiving the landfill disposal fees for disposal of our destroyed mobile home, Mono County helped make it possible for us to pull together enough money for a down payment to buy a replacement home. We are very excited because we have been able to make a purchase of a replacement home which we expect will be delivered to Murphy's Trailer Park before long.

Last February, 2015, when our mobile home in Lee Vining was crushed and destroyed during an extreme wind event we were left without a home to live in. But we also were faced with the very high cost of removing the destroyed mobile home from Murphy's Trailer Park. Thanks to Mono County we were able to put the disposal fees toward our down payment for a replacement home. The County's assistance in waiving the disposal fees, combined with the help of several local volunteers who helped out with equipment and labor, helped us save money on cleanup and disposal so we could put that money toward a replacement home.

We also want to thank County staff for working with us patiently as we explored options for getting the debris to the landfill, and being available when needed for input.

Sincerely,

Maria Andreas and Family

Leslie L. Chapman County Administrative Officer

To: Honorable Board of Supervisors

From: Leslie Chapman, CAO

Date: November 17, 2015

Re: Resolution to allow short term revolving loans to Mammoth Lakes Housing

Recommendation:

Approve resolution authorizing the creation of a revolving loan fund for the purchase of deed-restricted housing within the Town of Mammoth Lakes and authorizing the County Administrative Officer, in consultation with County Counsel, to negotiate and execute loan agreements consistent with the requirements set forth therein.

Discussion:

Periodically, Mammoth Lakes Housing has a short term cash flow need to assist in exercising purchase options under the deed restriction buy-back program and Mono County has a Housing Mitigation Fund and other County funds that can be used for this purpose.

The County's Housing Mitigation Fund was established with development impact fees and can be used for affordable housing mitigation. Loaning money for Mammoth Lakes Housing to participate in this deed restricted buy-back program is consistent with the intent to provide affordable housing. Currently, the fund has \$208,987, so the difference of \$91,013 will be made up of other County funds if they are available when MLH makes a request. Since these are County funds, it would be up to this Board's discretion to decide whether or not to charge interest on the loan. As currently drafted, the resolution does not provide for interest.

Jennifer Halferty, MLH Executive Director provided the following description of the program:

"As a follow-up from our phone conversation, here is a written description of the deed restriction buyback program:

Through the provisions of the Town of Mammoth Lakes' previous inclusionary housing policy, the Town has a multitude of resale/deed restricted ownership homes throughout town. Most of the more recent restrictions provide Mammoth Lakes Housing, Inc. (MLH) an option to purchase when the owner wishes to sell their home. MLH's option

has established time-frames per each restriction. The shortest of such time-frames, allows MLH 30 days to respond to the owner on our option.

The last condominium we purchased back through this process was on the Multiple Listing Service (MLS) with the Mammoth Lakes Board of Realtors, in which we have a licensed Brokerage, for 98 days from listing to closing of escrow. Once a unit is under contract, the typical escrow is 45-60 days. When MLH becomes the owner of the unit through the option process, we determine the need for any maintenance and have that taken care of prior to listing on the MLS. We're usually painting and cleaning the home, though sometimes the carpet needs replacement, too. This can add two to three weeks to the entire time-frame. Once the unit is sold to another member of the workforce, the loan would be paid off from the proceeds of the sale.

In 2013, MLH and the Town established a Revolving Loan Fund (RLF) for the preservation of their deed restricted workforce homes. The premise of the creation of the RLF was to allow the Town staff some flexibility and quick response time to the option, given the short response times afforded in so many of the resale restrictions. The Town's RLF is currently at capacity, which is why we're exploring financing alternatives."

Fiscal Impact:

Based on the County Treasury's average return on investment for the past year of approximately .9%, the county would forgo up to about \$225 per month while a loan is outstanding if no interest were charged and assuming the full amount of the fund were loaned.

BOARD OF SUPERVISORS AUTHORIZING
THE CREATION OF A REVOLVING LOAN FUND
FOR THE PURCHASE OF DEED-RESTRICTED
HOUSING WITHIN THE TOWN OF MAMMOTH LAKES
AND AUTHORIZING THE COUNTY ADMINISTRATIVE
OFFICER, IN CONSULTATION WITH COUNTY COUNSEL,
TO NEGOTIATE AND EXECUTE LOAN AGREEMENTS
CONSISTENT WITH THE REQUIREMENTS SET FORTH HEREIN

WHEREAS, Mammoth Lakes Housing, Inc. (hereinafter "MLH"), a non-profit public benefit corporation, administers an affordable housing program including the implementation and monitoring of deed-restricted below-market-rate units; and

WHEREAS, the Housing Element of the Mono County General Plan (hereinafter "Housing Element") documents the need to provide affordable housing throughout the Mono County region, including within the Town of Mammoth Lakes (hereinafter "TOML"); and

WHEREAS, the Housing Element contains policies promoting and facilitating the provision of affordable housing to meet the needs of all economic segments and special housing groups, including the provision of deed-restricted below-market rate units serving low and moderate income and workforce households; and

WHEREAS, in addition, Housing Element policies encourage collaboration with the TOML and non-profit affordable housing providers, such as MLH, to develop a range of housing programs that address the needs of income-qualified residents throughout the region; and

WHEREAS, past housing needs assessments conducted by the County have documented the regional needs and shared responsibilities for affordable housing between the TOML and the County, recognizing that development within the unincorporated areas of the County creates a need for affordable housing within the TOML; and

WHEREAS, consistent with inclusionary housing policies adopted by the TOML, MLH has a right (i.e., an option) to purchase certain existing deed-restricted below-market rate units within the TOML (hereinafter "Units") when they are placed on the market for sale, for the purpose of reselling the Units to qualified buyers, thereby preserving affordable housing stock within the TOML; and

WHEREAS, historically, funding for these activities has come from the TOML's Revolving Loan Fund (hereinafter "RLF"), comprised of TOML Housing In-Lieu Fees; however that fund is currently at capacity and several options will expire before it is replenished; and

WHEREAS, in order to maintain the optioned Units as affordable housing, and to provide funding when the TOML's Revolving Loan Fund is at capacity, the County wishes to authorize a County Revolving Loan Fund comprised of the balance of the County's Housing Mitigation Fund, plus additional County moneys, up to a total of \$300,000, to be used for purposes consistent with the County's affordable housing goals (hereinafter the "Mono County Revolving Loan Fund" or "Mono RLF");

NOW, THEREFORE, THE BOARD OF SUPERVISORS OF THE COUNTY OF MONO RESOLVES that:

1	SECTION ONE: Findings. The Board of Supervisors finds that: (1) the acquisition of deed-
2	restricted below-market-rate housing for sale to low income, moderate-income, and workforce households within the TOML is consistent with and furthers the policies set forth in the County's
3	General Plan and Housing Element; (2) development within the unincorporated areas of Mono County creates a need for workforce and affordable housing units countywide, including within the TOML;
4	and (3) the creation of a source of funds to provide low and moderate income and workforce housing furthers the County's express General Plan and Housing Element goals as well as the public purposes
5	of preserving and providing affordable housing stock in the region and mitigating the impacts of market-rate development within the unincorporated areas.
6	SECTION TWO: Creation of Fund. There is hereby created in the County Treasury the Mono
7	County Revolving Loan Fund, which shall consist of the entire balance of the County's Housing Mitigation Fund plus such additional County-only funds from within the County Treasury as may be
8	necessary to meet the purposes set forth herein, up to a total amount of \$300,000.
9	SECTION THREE: <u>Use of Fund Moneys</u> . Short-term loans (up to one year) from the Mono RLF shall be used by MLH for the acquisition of existing deed/resale restricted housing units within the TOML for the purpose of preserving housing for low-income, moderate-income and workforce
10	households. Units purchased shall be marketed for sale as below market rate. The Mono RLF shall be available for these purposes only when sufficient funds are not available through the TOML's
11	Revolving Loan Fund, and only to the extent of such unavailability.
12	SECTION FOUR : <u>Interest, Security, and Repayment</u> . There shall be no (zero) interest on Mono RLF loans made for the purposes set forth herein, however security shall be given in the form of
13	a first priority deed of trust on the acquired Unit. Loans shall be repaid in full to the Mono RLF upon the sale of the Unit, or within one year, whichever is sooner.
14	
15	SECTION FIVE : Loan Agreements. The County Administrative Officer, in consultation with County Counsel, is authorized to negotiate, and execute on behalf of the County loan agreements with MLH consistent with this Resolution, in amounts not to exceed \$300,000 or the available uncommitted
16	Mono RLF fund balance, whichever is less, for the purpose of acquiring and reselling at below market rates existing Units within the TOML.
17	
18	SECTION SIX : Reporting. Quarterly reports on Mono RLF loan activities shall be presented to the County Board of Supervisors by MLH staff. Reports shall include all financial activity since the
19	previous reporting period as well as descriptions of Units preserved and Units returned to the deed-restricted market as a result of a Mono RLF loan. If no Mono RLF loan has been made or is outstanding, then no reporting shall be required.
20	outstanding, then no reporting shan be required.
21	SECTION SEVEN : <u>Termination of Mono RLF</u> . The County reserves the right at any time and in its sole discretion, to cancel, close, and/or terminate the Mono RLF by providing notice to MLH
22	that no further loans will be made. Upon receipt of such notice and by the date stated in the loan agreement, MLH shall repay to the Mono RLF any amounts then outstanding.
