Discussion

Supervisors Jennifer Kreitz and Bob Gardner and the rest of the Strategic Plan Ad-Hoc Committee is pleased to bring to you tonight's presentation on the process for the County to update the Countywide Strategic Plan.

During 2019 Mono County Supervisors and staff developed a five-year Strategic Plan, consistent with the County's Vision, Mission and Values. In July 2021, the Board of Supervisors and County Department Heads held retreats, facilitated by Robert Bendorf, to discuss priorities and outcomes for a Strategic Plan Update. Additionally, an ad-hoc committee was formed to coordinate the strategic plan update agenda and organize activities for the effort. This evening's Community Webinar Presentation is the next step in receiving input on the various components of the plan and asking for input from the community as we move forward. Mr. Bendorf will provide the Mono County community with an update on the process, potential outcomes, and outreach strategies in order to receive input from the community.

As part of the strategic plan update, there is a community survey that has been advertised in each postal box in the county asking the community to complete a survey. The link for the survey is: <https://www.surveymonkey.com/r/GSLVDMF>, which will also be accessible on the county's Strategic Plan web page at this address: <https://monocounty.ca.gov/strategic-planning>.

As we continue through the update process, the committee asks for and encourages your input on various items of interest to you.
