Mono County Board of Supervisors

Dear Mono County Supervisors,

I am writing to you today to urge you to do whatever it takes to protect the water and irrigation rights in Long and Little Round Valley from LADWP. Take them to court and sue them if necessary.

Teach LADWP that Mono County will not accept their latest water grab! Do it for the beauty and health of the land, the native trees and vegetation, the meadows and streams, the wildlife habitat, and for the people and visitors of Mono County who rely on our mountain water to sustain the quality of life for their residences, businesses, ranches, and healthy environment!

Thank you for all of the good hard work that you have done so far and please keep up the fight!

Sincerely,

Deborah Hope Lurie

(35 year resident of Mono County)
