Dear Aaron Washco:

Thank you for giving the California Department of Transportation (Caltrans) District 9 the opportunity to review/comment on the Apogee Farms Specific Plan (SP) and General Plan Amendment (GPA).

- Both subject parcels (APN 025-020-013, 025-040-002) border US Route 6. Please condition the project(s) to improve access to US 6 to meet current standards, where regular/developed access occurs. See "Appendix J – Road Connections and Driveways": <https://dot.ca.gov/-/media/dot-media/programs/traffic-operations/documents/encroachment-permits/appendix-j-ada-all1y.pdf>.
- An encroachment permit will be required for the access, design, and construction traffic control. For further details please contact District 9's Highway Encroachment Permits Department at (760) 872-078, Kurt Weiermann, and <https://dot.ca.gov/caltrans-near-me/district-9/district-9-programs/district-9-encroachment-permits>. More highway encroachment permit details can be found here: <https://dot.ca.gov/programs/traffic-operations/ep>.

We Value our cooperative working relationship with Mono County regarding project impacts to the State transportation system. For any questions, feel free to contact me at (442) 359-8456 or Maggie.ritter@dot.ca.gov.

Sincerely,

Maggie Ritter
