Dear Members of the Mono County Board of Supervisors,

I am writing as a member of the public that recreates in and deeply values McGee Creek and Mono County.

I respectfully request the Board approve funding for the wildfire debris cleanup and prioritize expediting this cleanup as soon as the weather allows. Prompt funding and cleanup is critical for public safety, environmental protection, and the recovery of the affected community, as well as for those of us who recreate and spend time and money there.

Thank you for your attention to this urgent and important matter.

Sincerely,
A Mono County Recreation User

Dear Members of the Mono County Board of Supervisors,

I am writing as a member of the public that recreates in and deeply values McGee Creek and Mono County. Although we live in Yolo county, most of my recreation time is spent in the eastern Sierra communities, and I was heartbroken by the devastation caused by the Pack Fire in November.

I respectfully request the Board approve funding for the wildfire debris cleanup and prioritize expediting this cleanup as soon as the weather allows. Prompt funding and cleanup is critical for public safety, environmental protection, and the recovery of the affected community, as well as for those of us who recreate and spend time and money there.

Thank you for your attention to this urgent and important matter.

Members of the Mono County Board of Supervisors,

Our request to the Members of the Mono County Board of Supervisors is simple. This was a tragic fire that wiped out one of the very dear places we visit. We have been going to the Eastern Sierra's for almost 60 years. The Crowley McGee Creek is very special to us. We have traveled there from Southern California, Oregon, and now Arizona.

While there, in an area so dear to three generations of our family, we patronize businesses from Bishop to June Lake. We usually stay at the McGee Creek RV Park. As there is not an excess of RV spaces in the area, it is essential that this park be rebuilt as quickly as possible--for many people to enjoy the beautiful area and support local businesses.

Please make sure that you do all you can to fund and expedite the rebuilding of this valuable Mono County asset. Thank you very much for your consideration.

Respectfully,
Robert and Kathie Kennedy

Honorable Elected Officials and Staff:

Please Approve Funding and Expedited Cleanup for the Pack Fire

We are regular visitors to Mono county and are sad to hear of the damage from the Pack fire. I hope you vote to fund and expedite the cleanup so we can come back soon.

We have visited the area multiple times a year for decades. We stay at least once a year at McGee Creek RV park. Our daughter and her friends catch trout there, we love camping next to the creek, and we take day trips up to Mammoth and down to Bishop easily from there. It is one of the few shaded full hookup campgrounds, which we need for our dogs who travel with us, and is a great central location. We had already made reservations for a full week in July 2026 when the area was devastated by the Pack fire.

When we visit, we rent boats at both Convict and Lake Mary, hike and eat lunch in town, ride horses, rent bikes, and partake in all the Mammoth Mountain activities with our child and her friends.

I respectfully request the Board approve funding for the wildfire debris cleanup and prioritize expediting this cleanup as soon as the weather allows. Prompt funding and cleanup is critical for public safety, environmental protection, and the recovery of the affected community, as well as for those of us who recreate and spend time and money there.

Thank you for your attention to this urgent and important matter.

Sincerely,

A Mono County Recreation Family
