#### **25.010 Intent.**

In recognition of the demand by visitors for diverse lodging options, this chapter is intended to establish a process to permit short-term rentals for single-family units that do not exhibit reasonable opposition by neighbors who may be directly affected, and when consistent with applicable Area Plan policies.<sup>1</sup>

#### **25.020 Establishment of Type I Short-Term Rental: Owner-Occupied**

Type I short-term rentals are owner-occupied or associated with an owner-occupied principal residence. This rental includes an entire dwelling unit or, if only part of the unit, includes at a minimum a sleeping room (with shared full bathroom). Rental is limited to a single party of individuals, and the owner is required to be present during the rental. The short-term rental use may be permitted for any single-family unit having land use designation(s) of SFR, ER, RR, MFR-L or RMH subject to Use Permit, if consistent with applicable Area Plan policies.<sup>1</sup> The use permit for this rental shall run with the owner and not the land, and shall terminate upon a change of ownership. Fees for appeal of Type I Use Permit decisions shall be waived.

#### **25.030 Establishment of Type II Short-Term Rental: Not Owner-Occupied**

Type II short-term rentals include rental of an entire dwelling unit that is not concurrently occupied by the owner or on the same parcel as a principal residence concurrently occupied by the owner. The short-term rental use may be established on any parcel (or group of parcels) with a single-family unit,, meeting the requirements of 25.060, and having land use designation(s) of SFR, ER, RR, MFR-L or RMH. The short-term rental must be consistent with applicable Area Plan policies,<sup>1</sup> must exhibit no reasonable opposition from neighbors within 500 ft. of the subject parcel, and must have adequate year-round access.

In addition to the requirements of this chapter, initiation and application for a Type II short-term rental shall be processed in the same manner as any land use redesignation (see Ch. 48, Amendments I. General Plan Map/Land Use Designation Amendments). The land use designation followed by the letters STR (e.g., SFR-STR) would indicate a Type II short-term rental is permitted.

#### **25.040 Notice requirements.**

---

<sup>1</sup> The June Lake Area Plan will be revised shortly after the adoption of this chapter to identify appropriate areas for short-term rentals. Until the Area Plan revision is complete, no short-term rental applications shall be processed for June Lake. After Area Plan revision, applications can be accepted and evaluated for consistency with June Lake Area Plan policies per 25.010, 25.020, and 25.030.

- A. Notice shall be given to owners of surrounding properties and published in a newspaper of general circulation 30 days in advance of a public hearing.
- B. "Surrounding property," for the purposes of this planning permit, shall be defined as those properties that fall within a 500-foot radius drawn from the nearest limits of the parcel that is subject of the land use application. If a property is located more than 500 feet from the boundary of the parcel, but may be directly affected by any land use application on the subject parcel, then that property owner may also be noticed. Further, any property owners, regardless of their location or proximity to the parcel subject to a land use application, may receive notice as long as they submit their request in writing to the Planning Division more than 10 days in advance of the hearing. Such notice shall be given to those properties at least 20 days in advance of the hearing by mail to all persons whose names and addresses appear on the latest adopted tax roll of the County.

**25.050 Uses permitted.**

The following uses shall be permitted with a short-term rental approval, plus such other uses as the commission finds to be similar and not more obnoxious or detrimental to the public safety, health and welfare:

- A. All uses permitted in the underlying land use designation.
- B. Where the principal use of the subject parcel(s) is single-family residential, the residence or any accessory dwelling unit on the parcel(s) may be rented on a short-term basis subject to the requirements of 25.070.

**25.060 Uses permitted subject to director review.**

All uses permitted subject to director review in the underlying land use designation with which the short-term rental is combined shall be permitted, subject to director review approval.

**25.070 Uses permitted subject to use permit.**

All uses permitted subject to use permit in the underlying land use designation with which the short-term rental is combined shall be permitted, subject to use permit approval.

**25.080 Additional requirements.**

Any person or entity that leases, rents, or otherwise makes available for compensation, a single-family or multi-family residence located within an approved short-term rental established by this chapter, for a period of less than thirty (30) days, must first obtain a vacation home rental permit and comply with all applicable requirements of that permit, as set forth in Chapter 26, Transient Rental Standards and Enforcement.

Parcels located within conditional development zones (avalanche) shall not be allowed short-term rentals during the avalanche season, November 1 through April 15.
