**FOR IMMEDIATE RELEASE**

**Mono County Hosts 2021 Supervisorial Redistricting Public Hearings**  
*Series of Bilingual Public Hearings to be Held Virtually and In-Person*

**MONO COUNTY, Calif. (SEPTEMBER 16, 2021)** – The Mono County Board of Supervisors is hosting a series of virtual and in-person public hearings to receive input and feedback on the 2021 Supervisorial Redistricting process.

Mono County supervisorial district boundaries are the boundaries creating the five districts from which the Board of Supervisors are elected. These boundaries are geographically redrawn every 10 years in line with the county’s population as reported by the U.S. Census, most recently conducted in 2020. Community input is extremely important to the redistricting process, which consists of a combination of Public Hearings, meetings, and independent work conducted by the general public and Mono County staff.

Residents are encouraged to attend a Public Hearing, propose their individual redistricting plans, and provide input on the process itself.

**Public Hearing Details**

September 21, 2021; 1:00PM  
437 Old Mammoth Road  
Suite Z Meeting Room  
Mammoth Lakes, CA 93546
