**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, 8TH DISTRICT**

PAUL COOK

Education and Qualifications: As a retired Marine Corps colonel who was wounded twice in combat, I'm committed to restoring the values and principles that made America the greatest and most prosperous nation on earth. You trusted me to represent you in Washington, and I've delivered on that promise. I ask for your vote once again.

I've worked with the President to rebuild our economy, reduce taxes on families and small businesses, and eliminate bureaucratic red tape that kills jobs. That hard work has paid off: historically low unemployment rates, wage increases, and dramatic growth in our economy. But there's more work to be done, and I'm the only candidate with a record of success in delivering results.

I stand for law and order, which is why I'm fighting to end "sanctuary" laws that protect criminals and harm vulnerable communities. I'm proud to be the only candidate endorsed by retired Inyo County Sheriff Bill Lutze. I've fought to secure our borders, and I'm the only candidate who has opposed weaker sentencing for criminals. I want them behind bars where they belong.

In this large district, I worked to keep our rural health clinics funded, and I've helped expand benefits and services for veterans. I also voted to fund the Children's Health Insurance Program for an additional ten years because it protects our most vulnerable population.

We must keep our promise to America's Greatest Generation by protecting vital programs like Social Security and Medicare because seniors earned these benefits.

**STATEMENT OF CANDIDATE FOR
STATE SENATE, 8TH DISTRICT**

ANDREAS BORGEAS

AGE: 43

Occupation: County Supervisor/Educator

Education and Qualifications: As a husband and father, I understand the challenges facing our community. Anna and I are blessed with two young boys, but today's California is far different from what we experienced and now I am fighting for a better tomorrow.

Excessive taxes, expensive pharmaceuticals and unaffordable college education threaten our standard of living. Now more than ever we need strong and effective leadership in Sacramento.

As a County Supervisor, I have balanced multi-billion dollar budgets, increased deputy patrols, fought bureaucratic waste, protected seniors and veterans from scammers, and helped employers create good jobs in our community. As a teacher with over a decade of classroom experience, I support increased vocational training and local academic control to ensure students can succeed in tomorrow's economy.

Count on me to protect Proposition 13 from efforts to raise our property taxes. I will work to bring better paying jobs to Mono County, support the tourism industry and fight to ensure the big city politicians don't ignore rural California. You can also count on me to provide firefighters with the support they need to protect Mono County homes and businesses.

I will help law enforcement solve more crimes by reinstating DNA collection of convicts. Also, I will fight for victims' rights and keep our communities safe by outlawing the early release of child sex traffickers and predators.

County Sheriffs, deputies, police, firefighters, teachers, veterans, farmers and small business owners support my candidacy. I hope you will too. Please visit: www.Borgeas2018.com
