

## PUBLIC NOTICE

---

This public notice was prepared pursuant to Title 27 California Code of Regulations §21660.3(a) for new solid waste facilities registration permit applications.

(1) Name and location of the facility: MONO TRANSFER STATION, 7937 Highway 167, Lee Vining, CA 93541 (APN: 013-210-028-000)

(2) Solid waste facilities permit/facility number : 26-AA-0018

(3) Purpose: To provide interested parties the opportunity to become informed about the changes being proposed and the actions being taken by the local enforcement agency in processing the permit.

(4) Date the LEA accepted the solid waste facilities permit application: June 6, 2023.

(5) Description of the solid waste facilities permit:

- The permit will allow for D&S Waste to operate a private medium volume transfer facility. The facility will be used to transfer municipal solid waste collected during D&S Waste collection routes throughout Mono County and will not be open to the public.
- No waste will be disposed onsite, all waste will be transferred to a permitted landfill for final disposal within 48 hours of acceptance at the Mono Transfer Station.
- The daily tonnage will be 22 tons per day and the daily traffic will be 3 vehicle trips per day.
- The facility days and hours of operation will be Monday – Thursday, 6:30 AM to 4PM.

(6) EA's preliminary determination: The preliminary determination is to accept the registration permit application as complete and prepare a solid waste facilities registration permit and issue the permit.

(7) A copy of the application can be obtained from the Mono County Environmental Health Department by contacting Jill Kearney at (760) 924-1846 or [jkearney@mono.ca.gov](mailto:jkearney@mono.ca.gov) during regular business hours.
