To Whom it May Concern:

My family has owned a home in Mono County since the 1990s, and we have seen the rapid growth of areas like Mammoth first hand. While this can at times stretch the capacity of the residents, it is overall good for the community to support this, which includes allowing short term rentals in appropriate zones. My family and I support the short term rental application at 67 S Crawford in June Lake, especially since it is in the village. Please approve this in support of positive growth.

Sincerely,
Cheryl Bryan, Chris & Stefanie Collato

Review Board,

I currently live and work in Mono County and I am sending this email to express my support of the short term rental of the property at 67 S Crawford in June Lake. June is a small town with too few places for visitors to stay, and the main village is the proper area to expand short term rental permits. Thank you.

Respectfully,
Rich Rivera
