FOR IMMEDIATE RELEASE

STATE ROUTE 270 (BODIE ROAD) HAS REOPENED

BODIE— The California Department of Transportation (Caltrans) has reopened Bodie Road (SR-270) this morning. Snow and debris removal work has been completed to ensure the traveling public's safety.

Winter weather and road conditions can change rapidly. Motorists should expect the worst conditions and be prepared when traveling in areas subject to hazardous conditions. All vehicles, including those with four-wheel drive or snow tires should carry chains when traveling during snowy weather.

For the latest highway information please visit the Caltrans QuickMap site at quickmap.dot.ca.gov or call the Road Condition Hotline at 1-800-427-ROAD (7623).
