

WHAT'S UP WITH OPIOIDS?

Let's unpack this together.

These free, ready-to-use opioid awareness/prevention programs and resources will help keep young people safe from opioid misuse and addiction.

CLASSROOM PROGRAMS

Engage in vital conversations. Educators can find interactive lesson plans about opioids for middle and high school classrooms.

COMMUNITY WORKSHOPS

Keep your community safe. Leaders can find resources for leading discussions with young people. (Ideal for clubs, faith-based organizations, and other groups.)

A collaboration of Anthem and the National Urban League.
