RE: Public Meeting to discuss Peterson Tract Zone of Benefit Snow Removal and Road Maintenance Issues

Dear Property Owner:

In administering the Peterson Tract Zone of Benefit, the County has been contracting snow removal efforts to a local private contractor. Due to recent contract changes requested by the contractor and time studies of historic contract costs, the County now believes the Peterson Tract Property Owners will be best served if the County begins to perform snow removal efforts on behalf of the Peterson Tract Zone of Benefit.

The County would like to present the information that has led to this determination and obtain feedback or concerns residents may have about this change in approach -- including reasons and/or recommendations why historic private contracting should continue.

Please attend an upcoming public meeting to discuss the matter:

When: December 17th 2019; 5:00pm – 7:00pm

Where: June Lake Community Center 'blue room'

If you are unable to attend in person, please contact me at tdublino@mono.ca.gov to get information on remote attendance via online platform Zoom Meeting.

Best,

Tony Dublino
Director of Public Works
