IV. Bundled Services / 'Volume Discounts'

Transport

Disposal

Transfer

Materials Management

County Facilities Waste Hauling

Satellite Transfer Station Operations

Identify price discounts proposed for bundling 2 or more services, in any combinations.

As a precondition to submitting this 'Volume Discount Proposal, Proposer must have first submitted proposals for those services under any or all of Mandatory Proposal, Optional Proposal, or Individual Proposal.

As an example, the first line of the table has been filled in to reflect that IF a contractor received a contract for Mandatory Services, Facilities Waste and Recycling, Long Haul Transport and Disposal, the anticipated discount would be XX% applied to each of the contracts.

Please complete the table with as many scenarios as may apply.

Mandatory Services	Optional Services	Satellite Transfer Stations	Facilities Waste and Recycling	Long Haul Transport	Disposal	Anticipated Discount applied to each service
						XX %
