

Bridgeport Winter Trail System

WINTER OPERATIONS

- Grooming and plowing operations are weather dependent. (Jan. - April 1) For updates: monocounty.ca.gov/sustainable-recreation
- Please respect TEMPORARY winter closures
NO WHEELED VEHICLES BEYOND THIS POINT
- Please park in staging areas identified on map
DO NOT BLOCK ROADWAY - PROVIDE ACCESS FOR SNOW PLOWING AND EMERGENCY VEHICLE OPERATIONS
- Camp Like a Pro! ESSRP.org/camping
RESPECT PRIVATE PROPERTY - NO TRESPASSING
- Do not ride or walk in cross country ski tracks.
- Respect other trail users. Be courteous and yield right of way according to etiquette code. All users yield to grooming machines
- Over-Snow-Vehicles (OSV) yield to all other users.
SPEED LIMIT IS 15 MPH
- FAT BIKES: Yield to other non-motorized users. Do not ride in soft conditions - If you leave a rut deeper than 2 inches, it's too soft.
