Are you an employer looking for help? The specific technical skills you need may be hard to find. The Workforce Innovation and Opportunity Act (WIOA) On-the-Job Training Program helps you train the right workers to meet your requirements.

This program assists employers with the costs of hiring and training new and advancing employees by offering financial reimbursement of up to 50% of the employee's wages during the training period.

This program is administered through Mono County Workforce Services. Contact: 760-924-1770 or workforceservices@mono.ca.gov before the employee is hired, or for any questions about the program.
